*Position Description: **Archaeological Technician (Fire Rehab)***

The positions will be full time (40 hrs. per week: \$11.54 per hour).

The period of performance will be May 22 – November 30, 2017.

The selected applicants must be available for the entire period.

Work with Great Smoky Mountains National Park (GRSM) archaeology staff to complete emergency stabilization treatment of archaeological sites on GRSM lands within the perimeters of 2016 Chimney Tops Two and Cobbly Knob fires. Work is intended to mitigate the adverse effect to cultural resources and/or loss of cultural information. Work will include initial assessment of each site to determine the appropriate stabilization measures to be taken. Stabilization measures are anticipated to include removal of fire-killed trees, seeding areas with park approved seed mix, and scattering of woody debris/organic material at sites with steep slopes. Housing not provided – Park housing may be available but would be paid for by the archeology technician. **Duty station – Gatlinburg TN.** Fieldwork would be completed on GRSM lands within the zones.

To apply for the position:

Applicants must be current undergraduate or graduate students at ASU; or have graduated from ASU during the past 12 months. Applicants must be 35 years of age or younger, as the positions are funded through the NPS Youth Programs Division.

Please submit a letter of interest, resume, a sealed letter of reference from an ASU faculty member to:

Dr. Mark Spond, University Liaison to the National Park Service,
C/O Jennifer Coffey College of Arts and Sciences **201 IG Greer Hall.**

Only complete applications will be reviewed. **No electronic applications will be accepted.**

All applications are due by 5 p.m., Friday, April 14, 2017.

Questions: Dr. Mark Spond, University Liaison to the National Park Service spondmd@appstate.edu
(please include ‘Smokies Fire Internship’ in the subject line)
